1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School census guidance
- Keeping Children Safe in Education

The Attendance Officer is Rebecca Delaney and can be contacted via [main school office telephone number and email as above

3.5 Class teachers

All class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office immediately after register is taken.

3.6 School Office staff

School Office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system (Sims).
- Transfer calls from parents/carers to the Attendance Officer where appropriate, in order to obtain more detailed information on non-school attendance and support to be offered as needed from the Attendance Officer.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

All natural parents

- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day and on time for registration.
- Call the school absence line to report their child's absence before 9am on the first day of the absence. Second day of absence contact will be made if Attendance Officer feels it is necessary, depending on the reason on day one. On day 3 contact will be made if parent / carer has not made contact to the school and parent will be asked an expected return to school date. Further contact from day 3 will be made as necessary.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, medical/dental appointments for their child are made outside of the school day
- Attendance / Parent contracts raised by the school and / or local authority.
- Attendance Officer to seek support, where necessary, for maintaining good attendance, by contacting designated named Attendance Support Officer at the LBH.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session.(PM session). It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08.50am and ends at 3.20pm.

Pupils should arrive in school from 8.45am to register at 8.50am each school day.

The register for the morning session will be taken at 8.50am for whole school and will be kept open until 9.20am. The register for the PM session will be taken at 1pm for Early Years /Infants and 1.15 pm for Juniors and closed immediately and sent to the office electronically.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am, or as soon as practically possible, by calling the school absence line on the main school office telephone number or by sending in to the main school office an email advising of absence.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

The Attendance Officer will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence, or a text message to be seen for periods of unplanned absences. If there is Illness absence around school holidays, the Attendance Officer will ask for evidence in order to authorise absence.

If the school is not satisfied about the authenticity of the illness, or no satisfactory medical evidence is provided, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised and the pupil's parent notifies the school of the appointment. Medical evidence will be asked to be provided and evidence marked electronically on the school registers.

Harmondsworth Primary encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary, if appointment is in the morning, the pupil should be returned to school as soon as possible for the afternoon session.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code L
- After the register has closed will be marked as unauthorised late, using the appropriate code U.
- Daily attendance and punctuality is expected and the Attendance Officer will monitor lateness and school attendance punctuality and lateness letters will be sent to parents. Staged letters will be sent, usually 3 school attendance letters.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may visit the property to knock on the door and or contact Police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an Attendance Support Officer.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with referrals for penalty notices will be made to the London Borough of Hillingdon and Legal Intervention may be made.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via reports and communications with the Attendance Officer. Attendance data is monitored weekly and parents spoken to / written to if pattern of attendance / poor punctuality presents. Parents are advised if their child's class achieves the highest attendance on a weekly basis.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview

- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as each case discussed with Headteacher and Attendance Officer and consistent approaches followed for each request and reason.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is extremely unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence. Leave of requests are to be made in writing, or there is a form available via the school office. The Headteacher will require evidence to support any request for leave of absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart. Guidance can be sought from the LBH Attendance Support Officer.
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Harmondsworth Primary School access the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher will authorise the Attendance Officer to make a referral to the Local Authority and the Local Authority will issues penalty notices to parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken by the local authority which maybe Legal Court proceedings.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support offered via an attendance contract meeting and attendance contract the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Harmondsworth Primary School promotes good attendance.

- Weekly attendance cup awarded to the class with the best attendance
- Display in the hall updated weekly

- Non uniform award days for classes that have reached the highest attendance (taking into consideration medical appointments and absences due to medical conditions)
- Termly attendance certificates awarded to children with 100% attendance

Annual attendance certificate for children with 100% attendance award

Attendance is highlighted on newsletters to parents and the school's website

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Support is offered to families by referrals for LBH Key Workers with parental consent and support offered directly from Harmondsworth Primary School.

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHCP) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will refer to LBH.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Harmondsworth Primary support pupils back into school after a lengthy period of absence by supporting the pupil with welfare checks and support from the class teacher. If returning the full school hours is a barrier, then shorter school hours could be offered to transition back into school to full time hours on exceptional situations.

8. Attendance monitoring

8.1 Monitoring attendance

The school closely monitors attendance and absence data including punctuality on a weekly basis with Attendance Officer and Headteacher. Data is shared and concerns acted upon by school based parental letters sent and registration certificates detailing concerns. Each academic year the LBH meets with the Attendance Officer and Headteacher to discuss attendance and specific cohorts as needed. This may happen every term as needed.

Specific pupil information will be shared with the DfE on request.

Harmondsworth Primary has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent (less than 90%) or severe absence (less than 50%)

- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
    - Discuss attendance and engagement at school
    - Listen, and understand barriers to attendance
    - Explain the help that is available
    - Explain the potential consequences of, and sanctions
    - Send parental letters when families are at risk of becoming persistent absentees
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above). Action taken by attendance letters to parents and referrals made to LBH for unauthorised holidays.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum every 18 months by Eleesa Dowding, Headteacher. At every review, the policy will be approved by the full Governing Board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
